Jim and Howard,

Attached for your review are the Region's Hot Issues for Bob Perciasepe's WGA breakfast next week. We need to send to HQ's by Wednesday, February 20th. Please let me know if you have any revisions/additions as soon as you can, so we can meet the 20th deadline.

Per a request from Tony Raia this morning, Kate and Ayn will be drafting a Hot Issue for Pavillion/hydraulic fracking in addition to what I've attached below.

Subject: Call for Hot Issues for Governor's Breakfast (Regions 6, 7, 8, 9, 10) - Due Feb 20th

(Soon to be) Acting Administrator Bob Perciasepe will participate in a Western Governors' Association (WGA) meeting/breakfast Sunday February 24. I don't have a final confirmed RSVP list yet, but here's what I know so far.

Other invited Administration participants are:

- Tom Vilsack, Secretary, U.S. Department of Agriculture
- Stephen Chu, Secretary, U.S. Department of Energy
- Nancy Sutley, Chair, Council on Environmental Quality

Governor Herbert (Utah & WGA Chair), and Governor Hickenlooper (Colorado & WGA Vice Chair) will definitely participate, as well as **most other western governors**.

The meeting will be an open discussion/forum for Governors to raise issues/questions on important western issues such as drought, water transfers, federal lands/wildlife, and renewable energy transmission.

Please send me **succinct** hot issues....**governor level only**....brief **background, status**, and any **messages** you recommend.

Due no later than COB Wednesday February 20th

For more information about the WGA Governors, and issues see www.westgov.org

Any questions please let me know.

Thank you very much.

Anthony Raia
